PREMIUMS FOR SUBSCRIBERS.

SPLENDID CHANCES FOR REAL BARGAINS.

Fine Jewelry and Other Articles of Use and Ornament

SINGLE SUBSCRIBERS. FOR CLUBS AND

An Unequaled Array of Opportunities.

I ERE is a series of articles of the highest merit, which we will give all our friends the opportunity of obtaining in the easiest possible way. Our object in offering these splendid premiums is to reward our club raisers. We do not care to sell any article, and the offer to do so is simply to accommodate those who cannot give the time to club raising, but we prefer, in all cases, to have the clubs.

All offers date from April 11, and do not refer to any clubs sent in prior to that date. We have been at great trouble and expense in making up this list of premiums. We have had two prime considerations in view as to the character of the articles: First, we have accepted nothing but the very best things; and, second, we have insisted upon arrangements direct with the manufacturers at the very lowest rates, so as to be able to give our subscribers the advantage of the lowest possible offers.

We have accepted no cheap-grade jewelry. There is no so-called alluminium gold, fire gilt, oryide, etc., which is simply polished brass, but everything in the list is of a class we can warrant exactly as represented.

We have also demanded and secured from the manufacturers only the latest and most fashionable styles.

We expect that every subscriber will find something he or she will want, and will send us the club required and get it.

We mean, of course, in each case where we say clubs or subscribers, subscribers to THE NATIONAL TRIBUNE for one year, and the full price of the paper, viz, \$1 a year for each subscriber, must accompany the name sent.

Write all addresses very plainly, giving full name, postoffice, County and State. Much trouble is saved by never omitting the County, because there are so many postoffices of the same name. If the County is omitted, it is sometimes difficult to tell whether Nevada or Nebraska, Mississippi or Minnesota is meant, for example.

In ordering, be particular to give the number of the article as well as the name. The best way to send money is by Postoffice Money Order, in which case it may be

If your local Postoffice is not a money-order office, the best way is to register your letter. Money may also be safely sent by Express Money Order or Bank Drafts. Do not send local bank checks. Remember also that postal notes are no safer than money or stamps inclosed in an envelope, being cashed by anyone into whose hands they may fall. Postage stamps are a drug, and, while taken, are very inconvenient, because we have more now than we can use, and the Government does not redeem them.

In all cases, address-
